

AC128-03

Single channel emitter with touch buttons

Features

- ❖ Capacitive touch technology, high stability and sensitivity
- ❖ Energy saving design, battery lasts 2-3 years
- ❖ Put it on the magnetic holder on wall

Installation method

Parameters

Battery type	Working current	Transmitting Power	RF Frequency	RF Modulation	Power consumption	Working temp
3V CR2430	≤10mA	≤10mW	433.92MHz	ASK	< 5μA	-20°C~+55°C
