

## AC128-04

### Double channels emitter with touch buttons

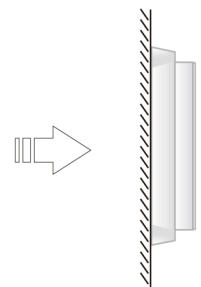

#### Features

- ❖ Touch screen, simple and free to press
- ❖ Capacitive touch technology, high stability and sensitivity
- ❖ Energy saving design, battery lasts 2-3 years
- ❖ Put it on the magnetic holder on wall

#### Installation method

Magnet wall holder

Magnet holder for wall mounting

#### Parameters

Battery type	Working current	Transmitting Power	RF Frequency	RF Modulation	Power consumption	Working temp
3V CR2430	≤10mA	≤10mW	433.92MHz	ASK	< 5uA	-20°C~+55°C
