

AC140

Hand-held Emitter with Touch Buttons

AC140-01C
Single channel

AC140-02C
Double channels

AC140-06C
Six channels

AC140-16C
Sixteen channels

Features

- ❖ With capacitive touch panel, anti-interference and stability
- ❖ Energy saving design, CR2450 battery support for 2 years working
- ❖ RF consumption is 10mW, work with all A-OK RF receivers

Parameters

Model No.	Battery type	Transmit Current	Transmit power	Transmit Frequency	RF Modulation	Working Temperature
AC140-01C/02C/06C/16C	3V CR2450	≤18mA	≤10mW	433.92MHz	ASK	-20°C~+55°C
