

AC226-01

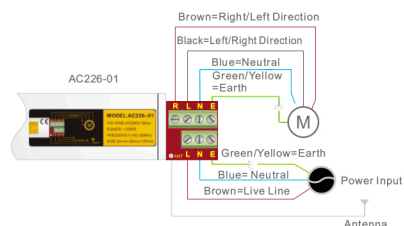

Waterproof Type Radio Receiver

Features

- ❖ Mini size, can be easily hidden
- ❖ Fully sealed design, waterproof IP65 level
- ❖ Freely change dot move or continuous move
- ❖ Shock proof relay, work with motor power under 500w
- ❖ Reliable and high interference resistance
- ❖ SMT assembly, damp-proof on surface
- ❖ Plastic sealed transformer, more stable

Wiring diagram

Parameters

Working Voltage	Working Temp	Working Frequency	Loading Power	Levels of protection
230VAC / 120VAC	-20°C ~ +55°C	433.92MHz	500W	IP55
