

AC252-01

External Radio Receiver

Features

- ❖ Fancy and modern design
- ❖ Available to connect external manual switch, flexible and convenient
- ❖ Side buttons design, easy to operate
- ❖ Design with super heterodyne module, sensitivity is -110dBm
- ❖ SMT assembled, damp-proof on surface

AC252-01 Strong Current Output

Parameters

Working Voltage	Working Temp.	Working Frequency	Loading Power
AC230V / AC120V	-20°C ~ +55°C	433.92MHz	500W
